Experience

Adobe San Jose, CA

Staff Designer, Feb 2024 - Nov 2025 (1 year and 9 months)

Senior UX Designer, May 2022 - Feb 2024 (1 year 9 months)

Scaled an enterprise library of workflows across multiple teams and 3 core platforms: Administration, Commerce, and Identity. Under 4 months, unified zero-to-one Adobe GenStudio by delivering core standards, components, and aligned cross-org teams in time for the General Availability Release.

NextDeavor Remote, CA

Senior UX Designer, Aug 2021 - May 2022 (9 months)

Contract with Adobe, leading design on the Genuine team. Unified invalid product's messaging experiences using design strategy, language, and design systems. Launched on app, web, and operational interfaces

Expedia Group San Francisco, CA

UX Designer II, May 2018 - Feb 2021 (2 years 10 months)

UX App Design Intern, Jun 2017 - Sept 2017 (4 months)

Contributor to in-trip experiences and EG's design system. Led and launched app experiences, like: Contactless check-in, know before you go, activity recommendations, notification center
